Education

BE(Artificial Intelligence And Data Science), 06/2021 – 06/2024
Anantrao pawar college of engineering and reasearch Pune
cgpa - 8.29

Diploma, *SVPM's ITE malegoan BK* 06/2018 – 06/2021
Percentage - 81.44 Pune, Baramati

Secondary School Certificate, *Nav Maharashtra Vidhaylay Pandare* 06/2016 – 06/2017
Percentage - 68.60 Baramati, Pandare

Skills

C++	MY SQL	Power BI
python	web development	Data visualization
HTML+CSS	Excel	Data Analyst

Professional Experience

Data Analytics Intern 12/2023 – 01/2024
Tech: Excel,my sql,power bi, data visualization pune, India
- Developed and maintain data visualization.
- Implemented data extraction, data cleaning, data mining, data handling.
- Gain hand on experiennce in Data Analytics with Technologies like MY SQL, Power BI, Python and Excel.

Certificates

TATA Forage **Accenture Forage**
Data visualization Data Analytics and visualizationn

Projects

3D Animation Generation System Using Deep Learnig 06/2023 – 05/2024
- Using deep learning accurately loacate and structure body and face.
- Reconstruct structure by collecting data points using cnn (convolutional neural network).
- Integrate model using Tensorflow.

IOT Based Garbage Monitoring System 06/2020 – 05/2021
- Developed garbage monitoring system using sensors to get alert that dustbin is full or not.
- With the help of sensors muncipal corporation members get msg if they forget, that still dustbin is full.
